Traffic Collision in Baynard Park

A traffic collision between a vehicle and juvenile bicyclist occurred yesterday evening in the Baynard Park sub-division.

The collision occurred at approximately 4:30 p.m. when a juvenile riding a bicycle collided into the side of a moving vehicle. The juvenile was not wearing a bicycle helmet and sustained injuries to the head. The juvenile was transported to Savannah Memorial Hospital where he is being treated for his injuries.

The investigation into the incident determined that the juvenile was distracted and did not see the vehicle travel in front of them. It was also determined that the driver of the vehicle was not at fault for the accident.

The investigation is closed and there will be no charges as a result of this incident.
